STATE ELECTIONS ENFORCEMENT COMMISSION ANNOUNCES ELEVENTH GRANTS OF SEASON

HARTFORD, CT – August 5, 2020 – The State Elections Enforcement Commission (the Commission") voted at its August 5, 2020 regular meeting to approve public grant payments under the Citizens' Election Program ("CEP") for candidates in the November 3, 2020 regular election.

The Commission determined that state representative candidates Hector Arzeno (D – 151st District), Brandon Chafee (D – 33rd District), Michael Demicco (D – 21st District), Christine Goupil (D – 35th District), Rebekah Harriman-Stites (D – 106th District), Eric Mastroianni (R – 96th District), Patricia Billie Miller (D – 145th District), Andrew Rasmussen-Tuller (D – 77th District), Marc Riccio (R – 102nd District), Brian Smith (D – 48th District), and Linda Szynkowicz (R – 33rd District) were eligible to receive CEP grants. The Commission also determined that state senate candidates Paul Cicarella (R – 34th District), Elisavet Kousidis (R – 25th District), and Joseph LaPorta (R – 12th District) were eligible to receive CEP grants.

The CEP is a voluntary program that allows qualifying candidates for General Assembly to receive full public financing for their campaigns. To qualify for public campaign financing, candidates must demonstrate that they have substantial support from the public. Candidates for state representative accomplish this by raising \$5,300 from at least 150 individuals residing in municipalities in their districts. Candidates for state senate accomplish this by raising \$16,000 from at least 300 individuals residing in municipalities in their districts. Participating candidates for General Assembly may only accept small dollar contributions from certain individuals—the maximum contribution is \$270—and no contributions from state contractors or PACs. General election grant amounts are up to \$30,575 for state representative candidates and up to \$103,955 for state senate candidates.

The CEP was designed, in part, to reduce the influence of special interests in state politics while encouraging grassroots support of campaigns. In its twelfth year of providing public funding to General Assembly candidates, the CEP continues to provide a seawall against the rising tide of special interest money in Connecticut elections.
